

Privacy Statement

- terms of personal data management and protection of personal data

M.E. Trial Masters Kft. as the operator of the www.trialmasters.eu hereby inform You that M.E. Trial Masters Kft. (hereinafter referred to as the Company) as the manager of personal data acts as follows:

The purpose of the personal data management

The purpose of the personal data management is that the Company can select the suitable person for the announced position from the data provided by the applicants and future investigators. Your data will be stored and managed in the Company's staff database. We will transmit provided data on no condition and protect them from being disclosed by an unauthorized person.

We inform You that by your application for the position announced or registration as a potential Investigator by the Company, You spontaneously consent for the management of personal data in your CV, application letter and registration form.

Under personal data management we apply the provisions of the effective laws and guidelines on data protection in each case at all times.

We manage your personal data for the abovementioned purpose and store them safely. The data which are sent by the owner inadvertently will not be kept by the Company.

When using the Company's homepage certain data are recorded for the purposes of systemic-administration, statistics and security. These data are the following: the internet service provider of the user, the user's IP address, the number of browser's version, the type of the computer's operating system, the webpage from where the user reached the homepage, the pages visited on the homepage and the search strings which were used to reach the homepage.

By these data the used computer may be identified by third party, but it doesn't endanger the anonymity.

The period of the consent's validity, withdrawal of the consent, the right of access

Your consent for personal data management lasts for an indefinite period of time. By the termination of the purpose of the data management or if You require, your personal data will be deleted. You may require cancellation and amendment of your personal data and You may ask for information about your personal data management. In order to exercise the abovementioned rights please send your written statement relating hereto to the Company's seat. Our Company as the data manager is obliged to provide You with information about your personal data and its management.

Your rights and exercise of the rights are governed by the provisions of Act LXIII of 1992 on the protection of personal data and publicity of public utility data.

Our Company as the data manager reserves the right to amend the present privacy policy unilaterally with previous notice to the users. The amendment shall not affect the data protection obligations determined in statutes.
